Golf Outing**

July 25, 2023

**8:00 Shotgun

In 2022 Project RETURN continued our ministry of assisting formerly incarcerated individuals with their employment needs, one-on-one and group counseling, Alcohol and Drug Abuse counseling, re-entry counseling through our Circles of Support, and a variety of other areas based on their individual needs. Project RETURN was able to expand our services to better serve support needs for specific demographic groups through our Circles of Support and housing programs.

By participating in this golf event you will be supporting the mission and the clients served by Project RETURN. You will learn more about the programs offered and your financial support will benefit Project RETURN and the clients we serve.
