

How you can support our incarcerated brethren and ensure a strong reentry for all.

1. SUPPORT

The new housing program is the biggest undertaking by Project RETURN in our history. It marks a significant growth for the nonprofit, and also a significant long-term investment. Please consider becoming a recurring donor (scan the QR code at right or visit ProjectReturnMilwaukee.org/give to learn more) and continue to support this mission in any way you can.

2. GET OTHERS INVOLVED

Project RETURN is organizing a Speakers Bureau of experts on incarceration and reentry, to speak from personal experience with community groups large and small about realities in our community. Please email adam@projectreturnmilwaukee.org or visit projectreturnmilwaukee.org/speaker if you would like to connect with a speaker to meet with a group you're involved with: Your workplace. Your church. A committee you are part of. Anywhere.

3. PROVIDE NECESSITIES

Check out our Amazon Wishlist by visiting tiny.cc/nbrszz or scanning the QR Code at right to provide necessities for the new Project RETURN residents. We are currently most in need of canned goods, toilet paper and other nonperishables.

Transparency & Accountability

Project RETURN is dedicated to transparency and safe stewardship. That's why we are proud to say that we received the **Gold Transparency honor and a Three-Star rating from independent watchdogs, Candid and Charity Navigator**, in 2025. Trust is essential to everything we do, from our relationships with supporters to working with the individuals we serve every day.
